

# County Innovation Challenge Fund

Transforming Maternal & Newborn Health

## Is your idea Innovative?

The innovation competition seeks applications from organisations aiming to design, pilot, test and launch new interventions that will improve maternal and neonatal health in six target counties; Bungoma, Garissa, Homa Bay, Kakamega, Nairobi (Embakasi and Kamukunji sub-counties) and Turkana.

The CICF invites innovations that increase access to and/or utilisation of quality maternal and new born health services by:

- Address the three delays most closely associated with maternal and neonatal mortality

The competition runs from **14 October 2016** to **30 November 2016**.
